

Buy America Certification

Date: 3/7/2023

The undersigned certifies that the following equipment complies with the Federal Highway Administration Buy America requirements under 23 CFR 635.410, 49 U.S.C. 5323(j) (1), and 49 CFR Part 661, requiring that the following products are domestically manufactured with 55% or higher content in the United States of America.

- 12-inch Polymer Traffic Signal Assembly
- 12-inch Aluminum Traffic Signal Assembly
- 16-inch Aluminum Pedestrian Assembly
- 16-inch Polymer Pedestrian Assembly
- 12-inch Polymer Pedestrian Assembly
- 12-inch Aluminum Traffic Signal Backplates

The above products are manufactured with domestic metal (iron, Steel, Aluminum) and domestic labor for manufacturing, assembly, and other related processes. The total content of domestic materials and labor exceeds 55% of the total cost.
